ADMINISTRATION

DEDICATION

MR. MORRIS BEIN

The 1961 Thoroughbred staff takes great pleasure in dedicating this yearbook to Mr. Morris Bein, Associate Professor of English at the University of Louisville.

Mr. Bein received his B.A. in English in 1938 from the University of Louisville. He wrote his master's thesis on Don Passos and obtained his degree in 1940. Mr. Bein got his Secondary School Certificate from the University of Kentucky in 1939. From 1953 to 1954 he studied on a Ford Fellowship at Columbia University.

Mr. Bein has been teaching English at the university since 1947. Through the years he has shown a tremendous interest in his work and his students.

He has devoted much time from his busy teaching schedule to campus life, for he has been Chairman of the Board of Student Publications since 1951. In this capacity Mr. Bein has been instrumental in solving many of the problems which arise in the publication of the *Cardinal*, *Thoroughbred*, and the other campus publications. Due to his excellent leadership, a high level of journalism has been maintained.

Presently, Mr. Bein is serving as President of the Louisville Chapter of the American Association of University Professors and he is doing his post-doctorate work. This native New-Yorker is now married and has three children.

For his outstanding teaching career, for his valuable guidance to the student publications, for his efforts to promote the best interest of the university, the 1961 staff is privileged to dedicate this yearbook to Mr. Morris Bein.

THE PRESIDENT

With his diploma in one hand and his new wife in the other, Philip Davidson began teaching in the high schools of Mississippi, where he remained for three years. He had graduated with a B.S. from the University of Mississippi in 1922. From 1925 until 1927 he taught in the history department of the University of Illinois while working on his doctorate in history, which he received in 1929 at the University of Chicago. Dr. Davidson held positions as Professor of History and Head of the Department at Agnes Scott College in Decatur, Georgia. At Vanderbilt University he was Dean of the Graduate School and Senior College, and Provost of the University. The President came to the University of Louisville from Vanderbilt in June, 1951.

In June, 1954, President Davidson received the honorary degree of Doctor of Literature from the University of the South. A member of Phi Beta Kappa, he has served on the Lectureship panel of this honorary, as well as the Board of the Woodrow Wilson National Fellowship Foundation. He is also a member of Omicron Delta Kappa and the Newcomen Society.

In Louisville he is a member of the Norton Infirmary Psychiatric Council, the Board of Directors of the Louisville Chamber of Commerce, the Board of Directors of the Louisville Fund, the Board of Directors of the Louisville Philharmonic Society, the Louisville Branch of the Federal Reserve Bank of St. Louis, and the J. B. Speed Museum. A member of the Rotary Club of Louisville, Dr. Davidson was President of the Nashville Rotary Club from 1950 to 1951. He has served on various committees in St. Andrew's Episcopal Church. He was General Chairman for Brotherhood Week in Kentucky (National Conference of Christians and Jews) in 1954 and 1959. From 1954 to 1958 he served as President of the Kentucky Branch of the English-Speaking Union.

Dr. Davidson is the author of two books: *History of Georgia* and *Propaganda and the American Revolution*. He also contributes to *This Is The South*.

The President's chief relaxation, besides hunting and fishing, is found in his workshop, where he has turned out ambitious reproductions like an Eighteenth Century cherry tripod table. He and his son Philip, in college at the time, even constructed a boat one summer. Philip is now married and has three children; the Davidsons' daughter also has three children. Both families live in Nashville, Tennessee. President Davidson and his wife have only one child left in Louisville: Splinters, their black cocker spaniel.

LEE P. MILLER
Chairman

BOARD OF TRUSTEES

The Board of Trustees of the University of Louisville is composed of ten prominent members of the community. Members of the Board are nominated by the Mayor of the City of Louisville and are approved by the Board of Aldermen for terms of ten years. Terms of two members expire every even year.

The Board of Trustees is the policy-making body of the University. It selects the President of the University, and adopts its budget and has final responsibility for, and authority over, all matters pertaining to the University. Chairman Lee Miller presides at the monthly meetings which are held Wednesday afternoons at 4:00 in President Davidson's office.

LEFT TO RIGHT: Eli H. Brown, III; Miss Adele Brandeis; Mr. Robert T. Burke, Jr., Secretary; Arthur H. Almstedt; Henry Y. Offutt, Vice Chairman; Oscar O. Miller; Eugene D. Hill; Wathen R. Knebelkamp; John V. Collins; Lee P. Miller, Chairman.

WOODROW M. STRICKLER
Executive Vice President

Mr. Woodrow Strickler received his B.S. Degree from Bucknell University, his M.B.A. from the University of Pennsylvania, and did graduate work at Northwestern University. In 1956 his Alma Mater, Bucknell, gave him the honorary degree of Doctor of Pedagogy. Under his leadership as Head of the Division of Adult Education, called University College now, the University of Louisville expanded and grew. He became Vice President in 1958.

WILLIAM F. MCGLOTHLIN

Mr. William J. McGlothlin attended Furman University, where his father was President, and received his Master's Degree in English from Columbia University. He did additional work at Duke and Chicago and is listed in *Who's Who in Education*. Mr. McGlothlin prepared a book for publication in the spring of 1960. With the aid of a Carnegie Grant, Mr. McGlothlin made a comparative study of education in different professions.

DORIS N. STOKES
Dean of Women

Doris N. Stokes has been Dean of Women at the University of Louisville for four years, having served as assistant from 1953 to 1955 and acting dean until 1957.

DAVE LAWRENCE
Dean of Men

Mr. Dave Lawrence has been Dean of Men for six years at the University of Louisville, where he was track coach before becoming Dean.

MORTAR BOARD

Mortar Board members are tapped each spring at Fryberger Sing from among the outstanding junior women. Membership is based on scholarship, leadership, and service to the University. The purpose of this honorary is "to provide for the co-operation between societies, to promote college loyalty, to advance the spirit of service and fellowship among university women, to recognize and encourage leadership and to stimulate a high standard of scholarship."

Money making projects of the Pallas Chapter have been their annual Homecoming mum sale and a Christmas Shop held for the University Women's Club. This year, Mortar Board members started the tradition of wearing regular uniforms on meeting days and while doing service projects for the University.

Mortar Board officers meet before eating together on Monday evenings.

OMICRON DELTA KAPPA

Omicron Delta Kappa is a national men's honorary founded December 3, 1914, at Washington and Lee. The society recognizes and encourages exemplary character and superior quality in scholarship and leadership. Membership is as much an obligation and responsibility as it is a mark of highest distinction and honor.

Election to membership is partially based on a point system including five categories: scholarship, social and religious affairs, athletics, publications, and the arts. Projects of the University of Louisville circle this year include the revision of the point system and the continuation of the distinguished speaker series.

Dr. Paul F. Angiolillo is the faculty advisor. Mr. John M. Houchins is the faculty secretary.

Omicron Delta Kappa officers plan their next meeting.

CWENS

Cwens officers help Sherry plan their next meeting.

Cwens, the national sophomore women's honorary, was installed on this campus in 1952. Members are tapped at the end of their freshman year at Fryberger Sing. Cwens are selected on the basis of scholarship, leadership, and service to the University. Members meet twice a month for dinner followed by either a business meeting or a program. The official uniform is a red blazer and a grey skirt which is worn on the days of their meetings or on special occasions when Cwens are serving the University. Each summer Cwens send letters to the in-coming freshman women and have a big-sister little-sister program to aid the freshmen. Cwens serve the University in many ways, such as serving at teas, helping at orientation and registration, and by many other projects.

PHI ETA SIGMA

Phi Eta Sigma, a Freshman Scholarship Honorary, was established at the University of Louisville in 1959. This honorary is designed to give recognition to students who achieve a 2.5 or better point standing in their freshman year. The University of Louisville Chapter has undertaken the distribution of "How-To-Study" pamphlets and the establishment of a freshman women's honorary on Belknap Campus. Phi Eta Sigma's faculty advisor is Dr. Richard P. Wiley, Chairman of the chemistry department.

Marshall Primack
Sophomore Award

Joel Roache
Freshman Award

The highest recognition of scholarship which a senior in the College of Arts and Sciences may attain is selection by the faculty as the recipient of the Woodcock Medal. This award was established in 1910 by the Right Reverend Charles E. Woodcock, Episcopal Bishop of Kentucky, as a memorial to his son and has been continued by his daughters in memory of the Bishop.

Each year the Woodcock Society, the oldest scholastic honorary of the College of Arts and Sciences, elects to membership not over ten per cent of the senior class on the basis of scholarship, character, and leadership.

Lower class scholastic attainment also is recognized by the Society through the annual presentation of cash awards to the member of the freshman, sophomore, and junior classes having the highest point standing for his class.

In addition the Woodcock Society maintains a graduate student loan fund and contributes annually to the University Library for the purchase of scholarly materials.

PHI KAPPA PHI

Phi Kappa Phi is the scholastic honorary society designed to give recognition to students in their senior year for exemplary scholarship. Phi Kappa Phi was formed in 1942. Phi Kappa Phi is nationally recognized as outstanding among scholastic fraternities, and at the present time has more than fifty established chapters throughout the colleges and universities of America. The prime objects of the society are to emphasize and promote scholarship in all fields of study, develop character in college students, and to stimulate mental achievement by recognition through election to membership. Admission to Phi Kappa Phi has been one of the highest honors any undergraduate student may receive. Phi Kappa Phi includes students from all colleges of the University, as well as faculty members of any department. Membership is based on sound character, scholarship, and interest in the University of Louisville as a whole.

Pi Delta Epsilon, a national honorary collegiate journalism fraternity, pledged to the promotion of student participation in undergraduate publications, seeks to establish a code of ethics among the staffs of the individual college publications. It is the purpose of the fraternity to elevate the cause of journalism, to foster the mutual welfare of student publications, to develop the truest fraternal spirit among its members, to encourage loyalty to their Alma Mater, and to reward the journalists working on the student publications for their efforts, services and accomplishments by admission to its membership.

To be eligible for membership in this journalism honorary, one must have held a major position for a year on a University of Louisville student publication. Nominations are voted upon by the members.

FIRST ROW: J. Harmon, E. Griffith, B. Kohn, M. Wong. SECOND ROW: D. Davis, R. Doctor.

DELTA PHI ALPHA

The national German honorary fraternity, Delta Phi Alpha, is active in promoting interest in the German language and culture. The local chapter at the University of Louisville is Beta Epsilon, and its faculty advisor is Dr. Leonard Koester. Members are chosen who take an active interest in the German language, study the language for at least two years, and maintain a 2.0 standing in their German studies.

Alpha Omega Alpha, the national honorary scholarship society for medical students, was organized at the College of Medicine at the University of Illinois on August 25, 1902. This honorary is the only order of its kind in medical schools on this continent; although it is collegiate, it is non-secret. There are forty-one active chapters in Canada and the United States. Each year the society elects juniors and seniors who are outstanding in scholarship and character. Its purpose is to encourage personal honesty and the spirit of medical research.

Due to the large number of women desiring residence in the dorm this year, White Hall was utilized for the first time as a women's dorm. Approximately thirty women, mostly upperclassmen, reside on the second floor while the first floor is occupied by married students. The girls had an

Open House for the campus in the Fall with Leopold Hall.

White Hall was formerly used as a men's dorm but was redecorated and will be used partially as a women's dorm until a new dorm is built.

PANHELLENIC COUNCIL

The Panhellenic Council is the governing body of the six national sororities on campus. It is composed of the presidents, rush chairmen, and pledge presidents of each group, in addition to representatives from the two local groups, who do not have a vote in meetings. Each sorority has one vote in determining intersorority policies in relation to Homecoming Decorations, rush, and any activities in which all sororities take part.

The past year the Council has been very active with its new system of quota limitation which has been used since last spring. Many new ideas and suggestions have been incorporated into "Greek Week" to make it informative as well as entertaining. The Council sent four representatives to the Southeastern Panhellenic Conference; the theme "Why Fraternity" was discussed.

OFFICERS—IN ASCENDING ORDER ARE: A. Little, President; J. Slucher, Vice-President; C. Remke, Secretary; and C. Roulston, Treasurer.

BACK ROW: D. Rowe, J. Hutchins, A. Marra, J. Heldman, P. Choate, A. Lindsey, B. Stiers, J. Norman, M. Overstreet. FRONT ROW: J. Offutt, P. Humbert, R. Sherman, M. K. Wong, C. Remke, and J. Slucher.

INTERFRATERNITY COUNCIL

It is through the Interfraternity Council that the men's Greek organizations on campus find a cooperative means of establishing standards for rush and social life on campus in general. It also strives to foster a spirit of competitive sportsmanship for the whole of campus activities.

The Council's membership is composed of the President and two ex-officio representatives from each fraternity.

OFFICERS—IN ASCENDING ORDER: President, Dick Doctor; Vice President, Tom Huckelbery; Secretary, Andy Gandin; Treasurer, Dick Elmer; Jack Baumeister, Dean's Representative.

STARNES SLIPS THROUGH . . . Halfback Bill Starnes finds a hole as the Cardinals defeat Dayton 36-0.

Entering the game as a three point underdog, the Cardinals made a shambles of Dayton's homecoming as they rolled over the Flyers to a 36-0 victory.

Played before the second largest crowd in Dayton football history, Louisville opened a 7-0 lead in the second quarter when halfback Lee Calland scored from seven yards out and Tanny Phelps kicked the extra point.

The Cardinal offense, which had been stymied in the first half, exploded in the third quarter. Quarterback John Giles hit halfback Petey Bryant with an eight yard touchdown aerial and the same twosome repeated the performance again to send Louisville into the final quarter with a commanding 22-0 lead.

The Redbirds added "icing to the cake" when Calland scored again and quarterback Bob Radlinski tallied to make the final score 36-0.

The victory by Louisville was the first ever achieved on the Flyer home field.

OH, MY BACK . . . Petey Bryant scores, but a Hilltopper prepares to dive on Bryant's back.

The most lop-sided win in the 38 year series between U. of L. and Western Kentucky was racked up last Fall as the Cardinals blasted the Hilltoppers 44-0 at Fairgrounds Stadium.

Louisville showed its superiority early as they drove for two tallies in the first quarter. Petey Bryant galloped home on a brilliant 87 yard run and Ernie Green reeled off a 35 yard stint.

The Cards upped their lead to 29-0 at the half as Bryant scored again and Lee Calland caught a 20 yard aerial from John Giles.

Louisville resumed its scoring tempo in the third quar-

ter as Green scored on a 33 yard run. The final touchdown of the evening came when Tom Morey scampered four yards.

The powerful Redbird offense ran up a total of 336 yards, while holding the outmanned Hilltoppers to only 176 yards.

This victory over Western was the third straight shutout for the Cardinals.

Halloween almost came for the Cardinals as the Marshall Big Green spun trickery and sorcery last October 29th in losing to Louisville 7-0.

The hero of the day was U. of L's fleet fullback Ernie Green. Green, after a pass interception, ripped around right end and out-raced three Marshall defenders 61 yards to score the only touchdown of the game. Tanny Phelps kicked the extra point to make it 7-0.

The score came early in the first quarter and the Cards spent the rest of the day staving off Marshall attacks to score.

The victory, Louisville's second in two years over the Big Green, was costly as starting quarterback John Giles was forced out of the game with a shoulder injury.

The Louisville offense which was averaging better than 300 yards a game was slowed to only 148 yards, while the Cardinal defense which had been giving up only an average of 68 yards in five previous contests surrendered 140 yards.

LET GO OF MY BRITCHES . . . Lee Calland finds open field if he can get a release from a Murray tackler.

A bit of luck and an excellent pass defense helped Louisville edge Murray State 12-6. The luck came when an ineligible receiver downfield wiped out a Murray touchdown in the last period that could have been a tie or possible Thoroughbred victory.

The excellent pass defense showed up as the Cardinals intercepted three Murray arials.

Louisville scored first in the initial quarter as John Giles intercepted a Murray pass. After Ernie Green and Lee Calland had moved the ball to the Thoroughbred seven yard line, halfback Calland scored.

The Cards moved ahead 12-0 in the second quarter

as guard Steve Hladio picked off another Murray toss. After Giles passed to Calland and John Hunt, Green swept around end for 14 yards and the score. Murray scored shortly before the end of the first half to cut the Louisville margin to its final score of 12-6 as neither team scored in the second half.

Murray was coached by former U. of L. great, Don Shelton.

HUNT SCORES . . . Senior halfback John Hunt is shown scoring to cap a brilliant 59 yard drive.

In their second home game of the year, the Cardinals rolled to a 40-6 triumph over the Braves from Bradley University.

Louisville scored first as halfback John Hunt capped a 59 yard drive, and Tanny Phelps kicked the extra point.

The Cardinals upped their advantage to 21-0 as quarterback John Giles tallied on a five yard keeper and Tom Morey raced home on a four yard end run. Phelps added both extra points.

The Redbirds continued their onslaught in the third quarter as halfback Lee Calland and end Don Hockensmith tallied. Calland's came on a two yard plunge, while Hockensmith took a ten yard pass from Giles.

The final U. of L. touchdown came in the last quarter as halfback Ernie Green sped 60 yards after intercepting a pass.

The Cardinals ran up a total of 329 yards, while the Braves could amass only 82. The U. of L. defense held Bradley to only 22 yards on the ground and 60 in the air.

A MUSKIE IS HALTED . . . Louisville's front line digs in to stop Xavier from scoring.

Xavier's Musketeers continued their strange hex over the U. of L. Cardinals as Louisville's six game win skein was snapped before a Homecoming Day throng of 7,000. The final score was 29-0 as the Redbirds were shut out for the first time in 43 games.

Louisville found itself in a hole early as Xavier scored a field goal after only four minutes had elapsed in the first quarter. The Muskies tallied again in the second quarter to gain a 9-0 halftime lead.

The Cardinals were still very much in the game as they made numerous unsuccessful attempts at the Muskies goal line in the third quarter.

Xavier wrapped up the contest in the final quarter as they put across three touchdowns. Even though the Cardinals were beaten soundly on the scoreboard, they were able to gain the same amount of yardage as the Muskies.

This whitewash was only the eighth in 135 games during Coach Camps's fifteen year tenure at U. of L. The last time the Cards had been blanked was by Kent State during the 1956 season.

Louisville's Cardinals opened their 1960 home football season with a come-from-behind 28-7 victory over the Eastern Kentucky Maroons.

The Redbirds tallied early when quarterback Dan Walker hit halfback Bob Starnes in the end zone to complete a 20 yard touchdown march. Eastern countered with a score before the end of the first half as the Maroons took a 7-6 lead into the halftime intermission.

The Cardinals quickly regained the lead as John Hunt scampered over from the three yard line to cap a 24 yard drive after a recovered fumble.

Louisville upped its lead to 21-7 as John Giles hit Petey Bryant on an eight yard touchdown aerial.

Bryant also scored the Cardinal's final tally in the fourth quarter as he took a 16 yard pass from Danny Walker to make the final score 28-7.

Camp's men ran up a total of 266 yards to only 134 for the Maroons. The win was Louisville's fifteenth in a row over Kentucky college competition.

Coach Frank Camp took his Cardinals to Cookeville, Tennessee, to meet the Tennessee Tech Eagles for the first time, and the home team made off with a 21-7 victory in the season opener for both teams.

The Eagles, defending Ohio Valley Conference Champions, scored first in the initial quarter. The Cardinals retaliated quickly as quarterback Danny Walker intercepted a Tech pass on the Louisville 45 yard line and returned it to the Eagle 30. Starting quarterback John Giles immediately returned to action and hit fullback Ernie Green with a nine yard aerial. On the next play,

Louisville fans and the team alike honored Coach Frank Camp for his fifteen years of success and service as November 11, 1960, was designated as "Frank Camp Night."

Friends of the University and supporters of the football team presented Coach Camp with gifts and a Florida vacation. The football team, itself, did their part to make the night a success by upsetting the strong Kent State eleven 22-8.

The victory, Louisville's seventh against two setbacks, was actually achieved in the first half. The Cards showed that they meant business from the start. On their second series of downs the Redbirds whipped from their own 40 to the Kent State five yard line where Tanny Phelps kicked a field goal to give Louisville a 3-0 lead.

Four plays later, John Giles hit halfback John Hunt in the end zone and Phelps kicked the extra point to give the Cards a 10-0 advantage. The Cards upped their advantage to 16-0 at the half as Giles faked out the Kent State defense to race 65 yards for the score.

After yielding a TD to the visitors Louisville tallied its final score as Charlie Stitch intercepted a Kent aerial.

The seven win and two loss record was Louisville's best since the Sun Bowl Champions of 1957 and brought Coach Camp's fifteen years' record to 80 wins against 55 losses.

THE CARDINALS

Sporting the finest team since the University of Louisville won the NIT in 1956, the Cardinals of Coach Peck Hickman got off to the fastest start ever recorded in the history of the University. Starting with the first game on December 1st the Redbirds flew past thirteen straight opponents before finally being clipped by DePaul in Chicago on January 14th.

THE RIGHT WAY TO START

Louisville opened at home and responded to the joy of U. of L. fans with a resounding 90-53 victory over Alabama. Two nights later, Hickman's crew displayed one of their best defensive efforts of the season by trouncing eventual NCAA Small College Champion Wittenberg 56-36. On December 6, the Cards moved across town to help Bellarmine open their new gym and laid the Knights aside 79-52. The Redbirds' closest call to defeat came when Louisville eked out a 74-73 win over Kentucky Wesleyan on Bud Olsen's last second shot. The Cards returned two nights later to score an impressive 76-64 triumph over Xavier. On December 12 and 13, Louisville reached the heights of the early season with over-powering wins over Georgia Tech (74-65) and Western Kentucky (86-71) to win the Bluegrass Classic. The Redbirds finished out their home December schedule by running over Georgetown (90-63), L.S.U. (72-53), and Brigham Young (95-67) in quick succession. On

CAPTURED A 21-8 SEASON RECORD

New Year's Eve Louisville traveled to St. Louis and nudged the powerful NIT bound Billikens 49-47 in a brilliant show of defense.

STREAK EXTENDED TO 13 BEFORE FIRST LOSS

Ron Rubenstein opened the new year by sinking a 20 foot shot with one second left to give the Cards a 70-69 come-from-behind victory over Eastern Kentucky. Louisville's thirteenth straight victory came in Milwaukee when the Cards defeated Marquette, 84-63, before a sell-out crowd. With their record standing at 13-0 the Cards absorbed two straight losses at the hands of DePaul (78-70) and Xavier (84-77). Louisville returned to their winning ways before a national TV audience by defeating Dayton 63-50. Following the Dayton victory the Cards had little trouble in defeating Kentucky Wesleyan 82-66.

THE CARDS HIT THE ROAD

The Cards then left Louisville's cold, damp climate for the sunny sunshine of Florida on a week's southern swing. First stop was Miami, where the Redbirds dropped a 71-69 loss to the Hurricanes. Traveling west, Louisville took revenge for its Miami loss by plastering Tampa 103-74. Continuing west-

ward, the Cards stopped off in New Orleans to shellac Loyola of the South, 75-58. At this point in the season Louisville's record stood at 16-4 and the NCAA awarded the Cardinals a bid to play in the Mideast Regional. The Cards continued their travels by venturing to Eastern Kentucky for a return match, but this time the Redbirds were beaten 80-74.

NEW SCORING RECORD IS SET

After a three week absence the Cards greeted Freedom Hall by setting a new school scoring record in defeating Ohio University, 117-84. Following this victory the Cards seemed to fall apart as Dayton (91-71), DePaul (75-67)

and Western Kentucky (96-80) defeated Louisville. In the final outing of the regular season the Cards regained their early season poise by trouncing Marquette 75-50.

NCAA

The Redbirds drew Ohio University in the NCAA first round, and in a game that went right down to the wire, Louisville won 76-70 and earned a chance to meet Number One Ohio State. As a record crowd of 18,833 watched in amazement, the Cardinals almost sprang the upset of the basketball season in losing to the Buckeyes 56-55. The Redbirds gained some consolation when they defeated Morehead State the following night 83-61 to take third place in the tournament.

AN EXCITING SEASON

An exciting, thrilling, and sometimes heartbreaking season was at an end. It will probably be a long time until another Cardinal team will produce the excitement that occurred during this year.

The Louisville Cardinals, playing with the spirit and determination of the true Champions they are, almost did what everybody, except themselves, thought was impossible—defeat the Number One team in the nation, Ohio State.

Four seniors, one junior and one sophomore, playing like one person, fought the Buckeyes on even terms for twenty minutes and went into half-time behind by only one point 26-25.

Playing the type of defense that has never been seen in Louisville before, the team saw their hopes for a National Championship go down the drain with four seconds left in the game when Ohio State scored the winning basket.

Six seniors closed out their college basketball career in top notch fashion. Before 17,494 fans, the Cardinals put win number 21 in their bag by beating Morehead State 83-61 in the consolation game of the NCAA Mideast regional.

Louisville, beyond a shadow of a doubt, proved that they were the best team in Kentucky as John Turner scored 28, Bud Olsen 20, and Fred Sawyer 16 in a well-balanced team effort.

With three minutes remaining in the game Coach Hickman cleared the bench and the seniors were given a standing ovation by the Louisville fans.

U. of L. Drilled 3 Weeks Setting Up Great Defense

By MARVIN N. GAY, JR.

Louisville Times Staff Writer

This is a now-it-can-be-told story:

On February 20, coach Peck Hickman of U.L. went to Bloomington and watched the Buckeyes defeat Indiana University. He returned with some ideas of what would be needed to beat the nation's No. 1 team.

"We spent about three weeks getting ready for Ohio State," he said last night following a heart-tugging 56-55 defeat in Freedom Hall before a screaming record crowd of 18,883. Most of the planning had to do with defense as Hickman made alterations from day to day.

The hours of work resulted in a tremendous defensive effort by the aroused Cardinals, who held the Buckeyes 30 points under their season average of 86.6.

FOR OHIO STATE, the 56 points represented a season's low in scoring. Before last night, Iowa had done the best defensive job on the undefeated Bucks, limiting their

output to 62 points. The Hawkeyes also lost by a single point. Next low score for Ohio State came in its 70-65 victory over St. John's.

"I'm proud of every one of the boys," said Hickman. "I couldn't be any prouder." He sought to turn his thoughts to tonight's 7 o'clock game with Morehead, 71-64 loser to Kentucky, but it was a difficult task.

The Cards will carry a record of 20 wins, 8 defeats into the battle for third place in the Mid-East Regional. The Eagles are 19-11.

Lucas Just Gets 9

"Say something about Sawyer," pleaded forward John Turner to a newsmen in the dressing room. "He did a fine defensive job on Jerry Lucas."

That 6-11 Fred did, probably his best ever, although he got help from his teammates as the 6-8 Buckeye all-America made just 9 points and was forced into 9 errors. People in the Ohio State camp couldn't recall any such "off night" by Lucas, averaging 24.9 points a game.

Turner was guarded by John Havlicek, who also stands 6-5. Havlicek, called by some the best defensive man in the Big Ten, tried mightily to stick on top of Turner, but the Newport strong man shook loose often

enough to get 25 points and 15 rebounds.

HAVLICEK SAID "Turner is one of the best I've played against. There's nothing you can do about him. He takes you into a pick, then shoots and he's a great outside shooter."

When Turner bagged his eighth field goal of the night, he set a new school record for most goals scored in one season. Old record of 262 was put in the book by center Charlie Tyra in the 1955-56 season. Turner now has 264.

Defense Did It

Defense finally won it for the back-to-the-wall Bucks, just as it almost did for the Cards. It set up a vital three-point play when it seemed the Cards would end the Ohio State victory string, extending over two seasons, at 29.

U.L. was ahead 54-49 with 2:52 to play. The Bucks went into a full court press, made an interception and Havlicek connected on a 15-foot jumper. Then came the big play.

Two Bucks double-teamed Ron Rubenstein at mid-court, snared the ball and Larry Siegfried drove for the bucket and made it. He was fouled and completed a three-pointer to deadlock the game at 54-54.

U.L. had its golden chance,

getting the ball with a minute to play when Havlicek was charged with traveling. As Turner maneuvered into position, the ball hit his foot and State pounced on it. Havlicek got off the hook as a possible "out" by making the winning bucket, a 20-footer, with 6 seconds left.

After taking a long pass from Rubenstein, Turner was fouled by Siegfried with 1 second on the clock. He got the one and one, made the first and missed the second, the ball bouncing back off the rim. That was it.

It was the only miss from the line all night by Turner, a great all-around performer. He sank eight of nine.

For the Cardinals, their shooting percentage of 31.7 was the low mark of the campaign. They took more shots than the Bucks, chiefly because the latter had a big 18 minutes.

Turner Cheered

One of the last of the gallant Cardinals to leave the dressing room, which had a morgue-like atmosphere, was Turner. He seemed surprised when a knot of fans let out a cheer. Many asked for his autograph and he willingly obliged.

Turner's wife rushed up and gave him a big hug and kiss. He bent low and got kisses from two of his small children.

Life didn't seem nearly so black as it had moments before for John Turner.

The 1960-61 edition of Coach John Dromo's Baby Cardinals fought and scrapped their way to a 10 won, four loss record.

The Freshmen playing one of the roughest Frosh schedules in the school's history had the bad fortune of having their second high scorer, Ron Hawley, sprain his ankle at mid-season. Two of the Frosh losses came after this injury.

This year's crop of freshmen was loaded with talent that will help the varsity out with their services next season. Ron Rooks, a hard driving guard, with a deadly fall-away jump shot will help fill the vacancy at the guard slots while Ron Hawley and Andy White will use their many talents and shots to help fill the vacancies left at the forward position.

This season brought Coach John Dromo's record as Louisville Freshman Coach to 151 wins while losing only 18. This record has been compiled over a period of ten seasons.

With the veteran Dr. John Heldman at the helm the University of Louisville baseball Cardinals returned to their winning ways, after a so-so 1959 season to record a fine twelve win, seven loss, and one tie slate.

In December, 1960, Coach Heldman was nationally recognized for his contribution to collegiate baseball by being awarded a plaque honoring him for his twenty-five years of baseball coaching and U. of L.

The Cards reached their seasonal peaks on the diamond in '60 with 2-0 win over Wabash College and a 4-0 year closing win over Eastern Kentucky State College. The Cardinals' tie with Berea College occurred when the game had to be called because of darkness.

For the second straight year, Coach Heldman took his team to Earlham College in Indiana to compete in the host college's tournament. After winning their first game against host Earlham, 5-3, the Redbirds dropped a close one, 7-5, to champion Ball State.

Louisville was paced in batting by first baseman George Bisig's torrid .433 average. Right behind him was senior centerfielder Ken Porco with a fine .424 mark.

On the mound, the Cards were paced by Gene Troy with a four win, one loss record. Also showing fine form was freshman Richard Spalding with a six win, two loss record.

TENNIS

Coach Don Kaiser, in his second year as Tennis coach, once again formulated another fine schedule, and the team responded with a six win and eight loss slate.

Highlights of the season came in 9-0 and 5-4 victories of the University of Dayton. Three of Louisville's eight defeats came by only one point margins.

TRACK

The best overall record chalked up by any 1960 Spring sport's team was by Coach Clark Wood's track squad. The harriers won five of six meets and finished third in the Kentucky A.A.U. Track Meet held at New Albany.

Dave Haycraft was top scorer for the Cardinals with eighteen points.

ARNOLD WINS TURKEY TROT

Brenda Reid, Homecoming Queen, awards 1st Place trophy in Turkey Trot to Gary Arnold while Wynn Paul and Joe Fachinger watch approvingly.

Preparations for Turkey Trot are made.

Lifting weights keeps one in good physical shape.

170 The swimming meet got off to a watery start.

Horseshoes is a game of skill and the spectators enjoy an excellent match.

INTRAMURALS OFFER WIDE RANGE OF ACTIVITIES

You're out!

Football is rough and tough.

Another basket and the game is over.

It is the desire of the Intramural Activities Program to obtain the best officials possible. For this reason all students are given instruction and a trial period, at the end of which they are checked as to their ability to handle a game and their knowledge of the rules. Officials are chosen primarily from men majoring in physical education. However, any student wishing to officiate intramural contests should apply to the Intramural Office prior to the season in which the activity occurs.

Dr. Ellis Mendelsohn is director of the Intramural Activities.

The women's intramural program at the University of Louisville includes the following activities: Bowling, tennis, 7 player hockey, basketball, badminton, volleyball, table tennis, softball and swimming. There is a sports manager who works with Miss Lois Massie on setting up each sport. This involves planning the clinics, practices and scheduling games. At the end of each season points for each WRA member are computed and awards are given at the annual banquet in the spring.

The extramural teams are also under the direction of Miss Massie. Hockey, basketball, and bowling are currently included in the roster of activities. Games are played with other Kentucky schools and adjoining states. Points are earned for extramurals just as they are in intramural participation.

The depth of the intramural program has been increasing. The total membership in WRA increased in 59-60 about 24%.

Hockey is a fast and furious game, especially for the goalie

Freshman Orientation opens the door to college life.

ARTS AND SCIENCES STUDENT COUNCIL

FIRST ROW: Carolyn Mercer, Peggy Speckman, Ann Little, Jim Allen, Sherry Penn, Ann Lindsey. SECOND ROW: Mary Ann Smith, Dick Vittitow, Dave Knight, Steve Hladio, Paul Peterson, Jim Starks, Dock Davis, Clinton Cook, Liz Wong.

The Arts and Sciences Student Council is composed of twelve members, who are elected by the students of the Arts and Sciences College. This year, the most outstanding work of this group was concerned with the organization and the activities of the Senior and Freshman Classes. Included in the Council's services were the planning of Freshman Orientation; the sponsoring of the Freshman Class elections, dances, and picnics; and the conducting of the Senior Class elections and other Senior activities.

President JIM ALLEN

Secretary.....JO ANN HUTCHINS
Treasurer.....PAUL PETERSON

Elected this year to lead the Senior Class in its numerous activities were: Clinton Cook, President; Mary K. Wong, Vice-President; and Sally Baker, Treasurer. Not pictured: Charlene Remke, Secretary.

Along with the new Orientation Program for Freshmen, this year's Freshman class elected officers who have determined their own duties. The Freshman class officers were elected on the basis of their individual platforms and initiative shown during their campaigns. Pictured from left to right: Buddy Hamilton, Treasurer; Gubdjorg Jonsdottir, Secretary; Dick Schott, President; Amaam Onyundo, Vice-President.

BELKNAP CAMPUS

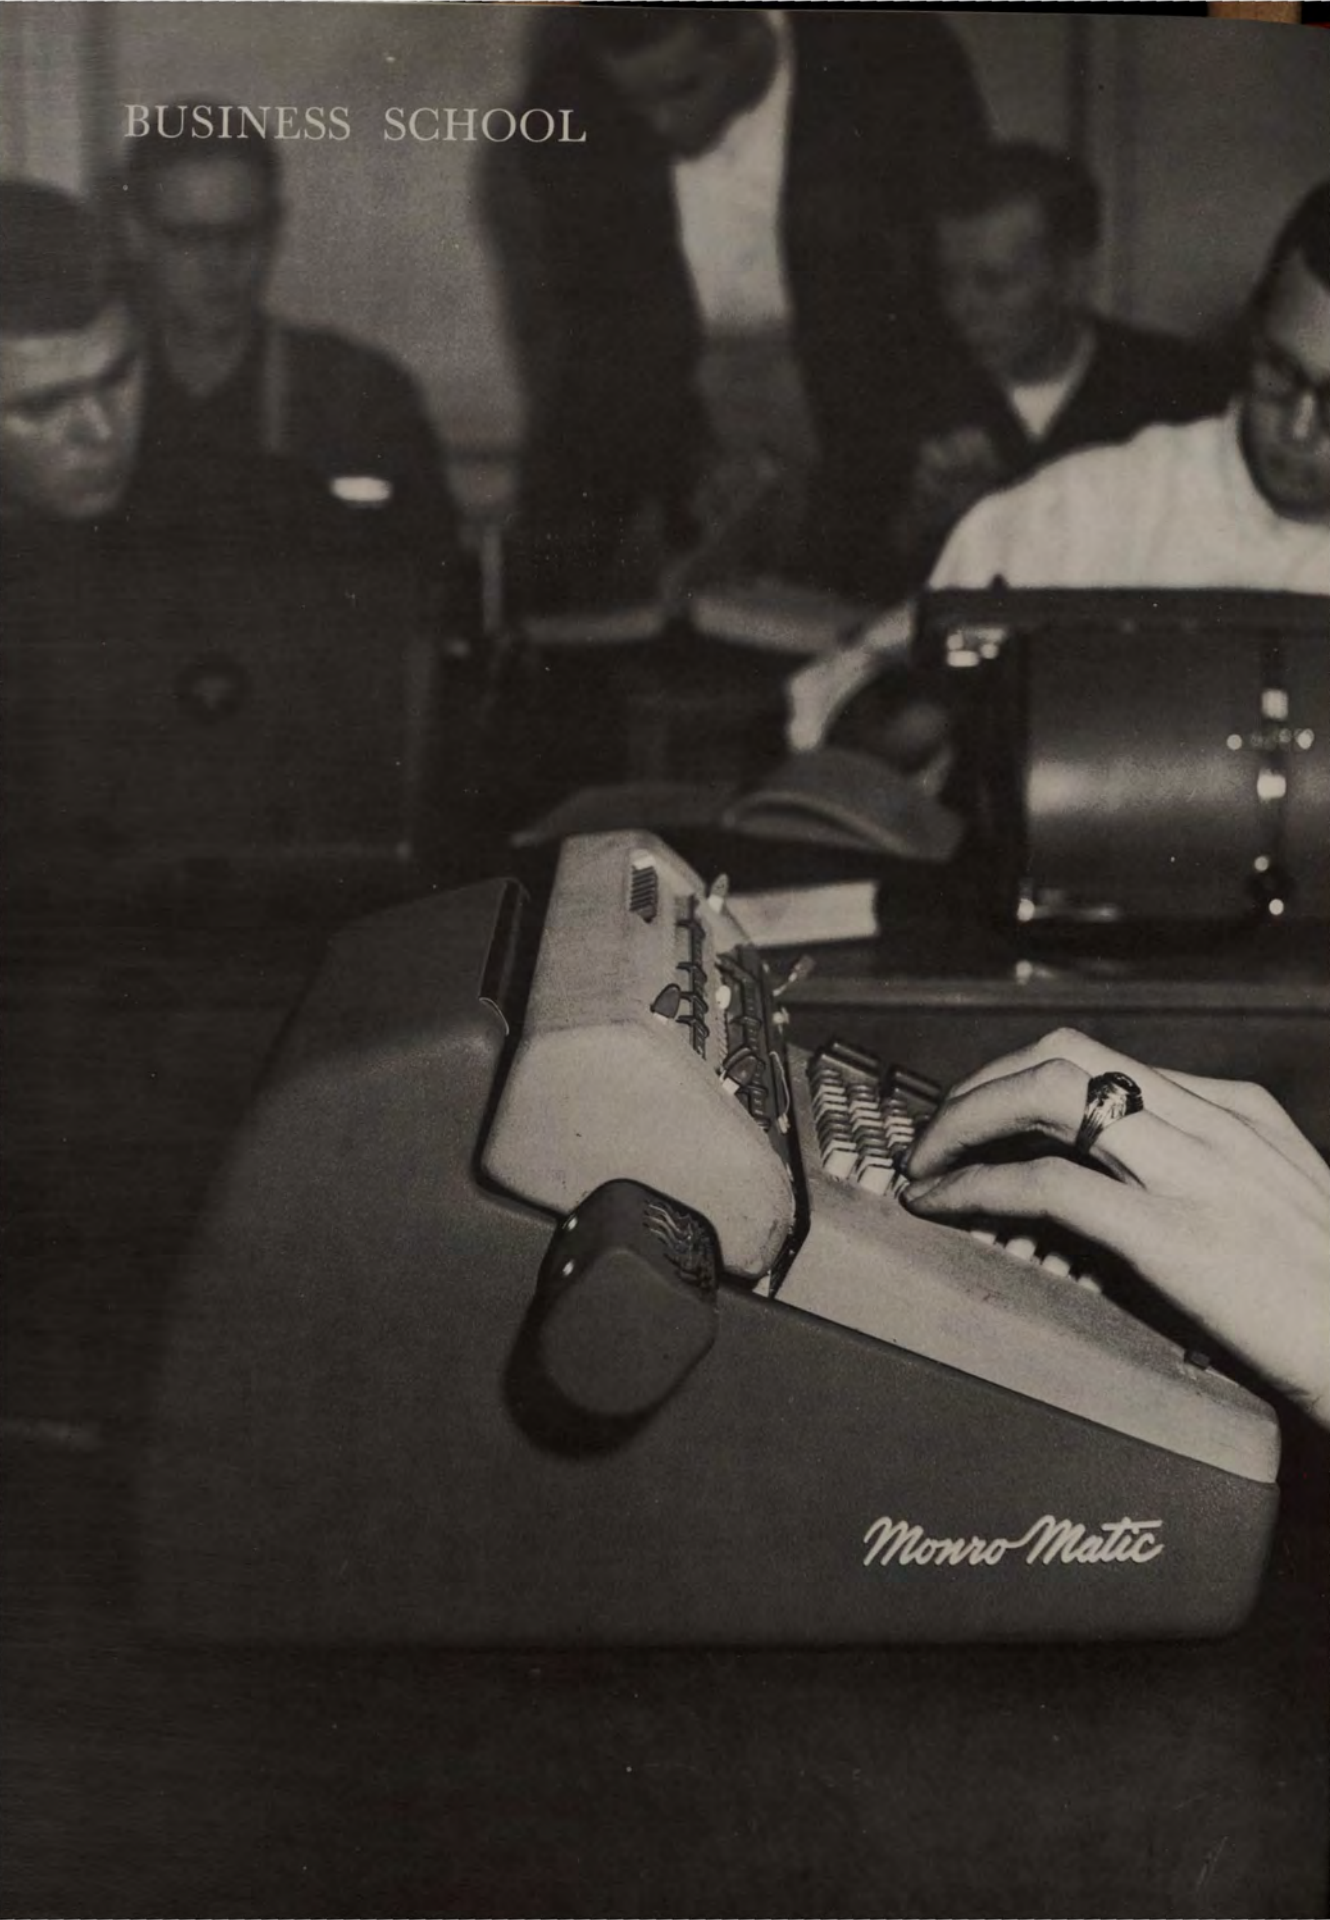

Belknap Campus, the center of activity for Arts and Sciences students, has many varied aspects. New buildings, such as the Library and University Center Building contrast with the older ones—the

Playhouse and Gardiner Hall. The Administration Building represents the medium between the old and the new.

Professor William Thompson instructs Don Burke, Joseph Diehl, and Richard Rogers on the fine points of accounting.

The lounge in the School of Business was constructed for the convenience of both the students and the faculty. Not only is it equipped for studying with numerous business magazines available for research, but also contains soft drink and candy machines encouraging relaxation between classes.

The School of Business was established in 1953 and in 1958 moved into Brigman Hall where it presently remains. Studies are such that a student may specialize in Accounting, Banking and Finance, Management, Marketing or Secretarial Science.

SCHOOL OF BUSINESS STUDENT COUNCIL

FIRST ROW: Jane Offutt, Nancy Merhoff, Ted Merhoff, George Burnette. SECOND ROW: Jim MacCallum, Richard Rogers, Harry Gehring, Jim Gallaway, Chuck Boyer.

The School of Business Student Council was organized in the Fall of 1953 with the opening of the new school.

The aims of the Student Council are to create better relationships between the faculty and students; to help promote the criteria of the School of Business; and to deal with any problems that arise.

OFFICERS

President.....TED MERHOFF
Vice-President....NANCY MERHOFF
Secretary.....JIM GALLAWAY
Treasurer.....JANE OFFUTT

The School of Business can be proud of its faculty which is composed of lawyers, accountants, and business experts. Consequently the business student receives his training from a practical as well as an academic point of view.

SEATED: Miss Kathleen Drummond, Morris Britt, John Manning, William Larger, Richard Hitchcock. STANDING: Fred Stamm, William Thompson, John Thompson, Carl Abner.

Sure to be voted as an outstanding asset to the School of Business is Miss Joan Hayden, Secretary to the School. She is continually called upon to answer various questions from students and faculty. Most accept her help unquestioningly, but Jim Dickerson seems to have discovered something Joan missed.

For some reason most students need that last few minutes of preparation before class time. The lounge with its large tables, comfortable chairs, and convenient desks is a great aid to the student whether it is an impossible accounting problem, a difficult economic question or a confusing law chapter.

The School of Business is well equipped with typewriters and calculators for the convenience of the students. These machines are invaluable to the students interested in accounting, business machines, and typing courses. George Burnette and other students put their training to use in preparing homework assignments.

JUNIOR AND SENIOR DENTAL EDUCATION

The Junior and Senior Dental students have a varied and concentrated course, which includes daily lectures and clinical experience. They are trained in every aspect of dentistry to make them qualified to serve people in all their dental needs. The lectures given by experts in their fields continue and advance the students' basic knowledge and introduce many of the problems found in the practice of dentistry. Clinical, x-ray, and laboratory work are only a few of the many parts of the practical dental education.

Junior students receive training in radiography which is used in all preliminary diagnosis and at various steps in treatment.

Seniors gain valuable experience with latest equipment including high speed drills and pain suppressing sound devices.

Assisting in difficult oral surgery procedures is a definite part of a junior's training.

ALPHA OMEGA DENTAL FRATERNITY

Alpha Omega was founded at the Pennsylvania College of Dental Surgery in 1907. Phi, one of thirty-nine chapters in the United States, Canada, and Israel, received its chapter in 1925.

The object of Alpha Omega is to promote the profession of dentistry and to establish high standards of scholarship, leadership, fellowship and character among its members.

Delta Sigma Delta, with undergraduate chapters in thirty-six dental schools, and graduate chapters in the United States, Canada, Europe, and Australia, is truly an international fraternity. The oldest of the fraternities to restrict its membership to students and practitioners of dentistry, Delta Sigma Delta has set forth as its purpose the working together of its members toward scientific, ethical, and professional progress.

Epsilon Chapter of Delta Sigma Delta, chartered in 1914, owns a house at 314 E. College. Dr. Pat Lyddan is the Deputy Supreme Grand Master.

Psi Omega Dental Fraternity was founded at the Baltimore College of Dentistry Surgery in 1892. Omicron Chapter received its charter at the University of Louisville in 1892.

Psi Omega is a fraternity, international in scope, to cultivate the professional qualities of its members, to further their scientific education, and to secure by cooperation, social benefits and advantages. The fraternity assists its members in all their laudable undertakings and exerts its influence untiringly for the advancement of the dental profession in its method of teaching, of practice, of research, of ethics, and of jurisprudence.

The chapter's present Deputy Councilor is Dr. Harold E. Boyer, and the chapter house is located at the corner of Gray and Brook Streets.

One of the many opportunities of social work is represented by Bridgehaven, a day care center for psychiatric patients. It represents the social rehabilitation center for the mental patient. The fortunate patients are served by, for example, Leroy Joseph, Jr., Executive Director and John Ray, a second year student shown below outside Bridgehaven's welcoming doors in a pose of extending the first helping hand to a new patient.

Dorothy Medich, a second year student, and Mary Skaggs, Secretary to the Department of Social Service of the Veterans Administration Hospital, pose the usual consultation positions of social worker and patient at the hospital. The patients may either voluntarily come to the Department or be referred by their physicians. The Social Service Department not only aids the patients of the hospital, but also aids the families of the patients while the patient is hospitalized.

KENT FACULTY

The faculty of Kent School represents many wide and varied fields because of all of the aspects of the field of social work. Here is Ralph S. Petrelli, Law; Katherine Brown, Social Work; Charles Newman, Criminology; and Marie LaCroix, secretary. Not represented are Dr. Yeager, anthropology; and Dr. Vicroy, sociology; Dr. Miller, medicine and Mrs. Adams and Mrs. Karsell, Social Work.

Pictured on the left is a view of one of the many services offered by the Jewish Vocational Guidance Center. Here Madge McConnell, a second year student, and David Dobson, Executive Director, help George Street choose his future college. Kent Students serve in assisting capacities their first and second years with their choice of placement in their second year. In this way they obtain first-hand knowledge about the field of social work.

In the center picture is Mary Weathers, a second year student, who serves in the Social Service Department of the Louisville General Hospital. The Department serves many different types of social problems. In the right hand picture Dr. Israel Muss, Chief of the Physical Medicine Rehabilitation Service, Earl Mason, Coordinator and Chief of Corrective Therapy, and Dorothy Medich, Kent Student, hold a typical staff conference.

STUDENT BAR ASSOCIATION

The Student Bar Association is a charter member of the American Law Students Association which is sponsored by the American Bar Association. The objects of this organization are: to foster a spirit of fellowship and co-operation; to advance the aims and purposes of the School of Law; and to develop the individual members into better students of law. It also serves as the student government of the Law School in addition to administering the Honor Code and assisting beginning students.

LOUISVILLE LAWYER

The School of Law publishes a newspaper quarterly containing items of interest concerning the School, student activities, and the Alumni. Selected students edit the paper under the direction and guidance of a faculty advisor. Jim Thornton was appointed as Editor-in-Chief and Roy Turner was Associate Editor.

FIRST ROW: Bob Malone, Walt Cato, Jim Thornton, Charles Sandmann; SECOND ROW: Dave Beckman, Jim Simpson, Roy Turner, Carroll Hubbard.

JOURNAL OF FAMILY LAW

In cooperation with the Family Law Committee of the Association of American Law Schools, the School of Law publishes a scholarly journal devoted to the important subject matter of family law. National authorities in the field serve as members of an advisory board. Selected students serve on the editorial board with the assistance of a faculty advisor. Appointed this year as Editor was Robert Hastings. His staff included Scott Thompson, Associate Editor, and Helen Viney, Secretary.

SEATED: Lamont Hagan, Walt Krieger, Bob Malone, Robert Hastings, Helen Viney; STANDING: John Thrapp, Barbara Buchanan, Scott Thompson.

Charles Hoodenpyl, Dave Beckman and John Thrapp were research assistants to the faculty on various independent research projects.

Dean Volz congratulates Don Wagner and Charles Hoodenpyl on their appointment as special assistants in the District Attorney's Office.

MOOT COURT CLUB

Moot Court Club Vice-President Joyce Ferris and President Charles Hoodenpyl congratulate Dave Beckman and John Sloan who represented the Law School in the National Competition.

The Moot Court Club affords students an opportunity to gain experience on both the appellate and trial levels. The Club also participates in the National Moot Court Competition held each year, by sending two of its outstanding advocates to compete with students from other law schools throughout the nation. The Moot Court program is operated by the Moot Court Committee of the Student Bar Association, Prof. Ralph S. Petrelli, faculty advisor.

LEFT TO RIGHT: Bob Hastings, Bob Malone, Lamont Hagan, Walt Krieger, Barbara Buchanan, Dorothy Cox.

BRIEFING SERVICE

The purpose of this organization is to offer a service to lawyers throughout the State of Kentucky, who, by reason of limited library facilities, are unable to examine all the authorities on questions of law before them. Lawyers are invited to send in such questions after having exhausted their facilities. The members of the Staff take each question and, by means of the library at their command, prepare and return to the lawyer a complete brief on the question submitted.

Many benefits flow from such work, for not only does it render a helpful service to the bar of the state, but it also gives the student the kind of experience that he will need in the practice of law.

KAPPA BETA PI

Beta Rho Chapter of Kappa Beta Pi, the largest international legal sorority in the world, was installed on campus this year. The chapter plans to bring a woman who is outstanding in the field of law to speak at the university each year.

SEATED: Joyce Ferris, Dorothy Cox, Helen Viney, Barbara Buchanan. STANDING: Joseph Johnson, Faculty Advisor.

LEGAL AID

Selected second and third-year law students under the supervision of a faculty advisor serve on the staff of the Legal Aid Society where they work under the direction of licensed attorneys in providing free legal services to persons unable to pay for the services of an attorney. Participation in the Society affords the student practical experience in working with legal problems.

Basic anatomy is learned through the dissection of various animals.

The School of Medicine is descended from the Louisville Medical Institute which was chartered by the Kentucky Legislature in 1833. In 1837 the Medical faculty of Transylvania University dissolved and reorganized here. On April 23, 1846, The University of Louisville was founded with the departments of medicine and law. The medical library then had 3,216 volumes making it the second larg-

est in the United States.

In 1869 the Louisville Medical college was founded, and the Medical Department of Kentucky University merged with the University in 1907. Later the Louisville Hospital College of Medicine merged with the University forming the present University of Louisville School of Medicine.

The School of Music, founded in 1932, is one of the ten schools that make up the University of Louisville. Little renovation has been made in the original design of Gardencourt, a former mansion donated to the School of Music by the Norton family in 1947. Located in the center of Cherokee Park, Gardencourt is an excellent setting for the School of Music. The spacious mansion has twenty-four rooms used as recital halls, classrooms, studios, and administrative offices. The music library is the most extensive in this area.

Most of the students in Music School live in the Louisville area. Classes are held at Gardencourt on Tuesday and Thursday, and the remaining days on Belknap campus.

Every Thursday student recitals are held. Every student must perform at least once a semester before his fellow students. Instrumental majors also perform in small ensembles. Learning to play together musically is one of the most important achievements.

Being a music student requires much practice. Practice rooms are provided at Gardencourt and on Belknap campus. Occasionally one may even hear a "little jazz session."

The music profession means a busy life, but also a very rewarding one.

MUSIC SCHOOL STUDENT COUNCIL

The purpose of the Student Council is to provide a student government for the School of Music. The council regulates all affairs to the common interest of the students. It also provides the students an opportunity for promoting active leadership, academic life, and the extra-curricular activities within the University.

Taking time out to decorate for the Harvest Moon Festival are Bonnie Waugh, Linda Loy, Eddie Cooper, Bill White, Mary Helen Romine.

All is not beautiful music at Gardencourt. Here Linda Loy and Terry Cravens are in the midst of a heated discussion as to whether or not the rules of voice leadings can be broken legitimately for artistic effects.

Carol Weiss, Linda Loy, John Albrecht, and Terry Cravens get together for a little jam session.

SOUTHERN POLICE INSTITUTE

Professor David A. McCandless
Director Southern Police Institute

The Southern Police Institute, an autonomous unit of the University, is financed by The Ford Foundation, the City of Louisville, and other eastern and southern foundations. Two twelve-week and four two-week sessions are conducted each year. Instruction is given by the Institute's staff and by visiting lecturers, who are nationally known authorities in the fields of criminology, police science, and police administration. Emphasis is placed on administrative and supervisory training. Instruction is directed along practical lines and includes the latest methods in crime detection and prevention. During the twelve week terms, students may earn twelve college credits if they meet university entrance requirements and maintain the necessary scholastic standing.

Since January, 1951, when the Institute held its first session, it has conducted 24 twelve-week terms and 28 two-week seminars. Six hundred nineteen officers have graduated from the long terms and 673 from the seminars. They represent 323 departments in 37 states and 19 foreign countries. Of these, 54 are chiefs of police and 30 are assistant chiefs.

SEMINARS

A program of mid-winter seminars in the three-month period between the Fall and Spring terms is offered by the Institute. Four seminars, each lasting two weeks, are held annually in January, February, and March. The thirty officers, accepted for each seminar, study subjects of major importance in law enforcement. Instruction at the seminars is, as in the regular terms, on the Visiting Lecturer method. The lecture subjects range from Police Administration, Scientific Investigation of Crime, The Science of Fingerprints, Human Relations and Human Behavior, Police Records and Communications, Police and the Juvenile Offender to Methods and Techniques for Police Instructors, the Policeman and the Law, and Alcohol and Road Traffic.

Mr. Claude P. Kidder, Investigator, U.S. Immigration and Naturalization Department, discusses immigration problems with students in the 24th class of the Southern Police Institute. LEFT TO RIGHT: Officer Wm. Lancaster, Louisville, Ky.; Captain P. Klinbua, National Police, Thailand; Detective F. Henley, Norfolk, Va.; Sergeant G. Turner, Jr., Tampa, Fla.

OUTSTANDING LECTURERS VISIT INSTITUTE

Mr. John Reid, inventor of the Reid Polygraph, gives a practical demonstration to students attending a seminar on Scientific Investigation of Crime, using as his subject Assistant Superintendent Lionel C. S. Jirasinha, Ceylon. Captain Ahmet Soylemez (RIGHT) of Turkey observes.

Classroom instruction is an important part of the Southern Police Institute learning process. After the lecture on firearms is given, questions are asked. This questioning period enables the students to obtain particulars and also hear opinions from their classmates.

SPEED SCHOOL STUDENT COUNCIL

The Speed Scientific School Student Council officially represents the student body. Its membership is composed of representatives from the four professional societies; American Institute of Chemical Engineers, American Society of Mechanical Engineers, American Institute of Electrical Engineers and Institute of Radio Engineers, and American Society of Civil Engineers, and twelve representatives elected from the student body. Each year the council sponsors Engineer's Day and the Engineer's Ball.

Recommendations from the students are made to the Dean of Speed Scientific through the Student Council.

Officers for 1960-61 are:

President.....BOB DeVoe
Vice-President.....JOHN SANDERS
Secretary.....DICK ELMER
Treasurer.....VERNON MEURER

FIRST ROW: B. DeVoe, J. Sanders, D. Elmer, V. Meurer; SECOND ROW: M. Butler, J. James, B. Keister, B. Anderson, R. Scanlan; THIRD ROW: J. Emmerich, P. Grau, T. Mathis, R. Kreps, P. McDonogh.

PREPARATIONS

This equipment, idle tonight, will become an interesting experiment in tomorrow's class.

This display's calculations had to be checked and re-checked before it could be set up.

Rodney Wells explains the workings of this display to visitors to the Civil Engineering Department.

Bill Pierce tries to show Linda Miller where each part in the truck engine is and the workings of it.

ENGINEER'S DAY

Syed Hassan stands ready and waiting to show visitors an air flow experiment in the Mechanical Engineering Department.

Lyle Collins is measuring the watts generated by the bicycler and then converting them into horsepower to show how much energy is created.

A school-wide service sponsored by the University College is the film festival. Here Dr. Edmond Schlesinger promotes one of its movies.

UNIVERSITY COLLEGE STAFF

Discussing the new schedule of the adult education courses is the staff of the University College: Edmond Schlesinger, Charles Odewahn, William Kelly, Ben Hall, Martin Krauss, and Delilah Lyons. Besides their duties in the University College, they also are in charge of the audio-visual department.

(LEFT) One of the guidance counselors available to University College students, Dr. Carl Abner, is shown counseling one of the students.

(RIGHT) Miss Channey stresses one of the principal typing rules to June Baxter and Terry Trovato.

UNIVERSITY COLLEGE STUDENT COUNCIL

Industriously working on plans for their Christmas gift basket project are some of the council members. The members collect money from the students and then in cooperation with the alumni distribute the baskets to the needy. STANDING: Louie Morrell, Laurence Edlin, Leonard Kaplan, and Richard Stone. SEATED: Betty Blake, Celon Tatum, Rovena Shipley, and Edward Skaggs.

Thanks

On our 75th Anniversary, we extend our thanks to the
three generations of customers whose patronage has en-
abled our products to enjoy continuous sales leadership.

STANDARD OIL COMPANY
(KENTUCKY)

"It's a long, long time from May to December but the days grow short when we reach September." However, the days began to grow very short around December, for our first deadline (the academic section) was drawing close. In September Jimmie Wallace Studio had taken the individual pictures, and the school editors began madly drawing up pages and fitting pictures into the spaces.

As the new year began, new editors came in to begin work on their sections. Mid-semester break found the staff—not on the sandy beach of Florida—but under the bright lights of the Thoroughbred office.

Since we have attempted to present "The University

Past and Present" in this issue, it was necessary to obtain some old photographs from the office of Dr. Davidson and from Caufield and Shook Photographers. We wish to thank these people for helping us bring the university's past to life.

The presentation of the 1961 Thoroughbred has been brought to you through the efforts of the staff members, the photographic work of Bob Moulton, Chuck Byrne, and Larry Spitzer (Courier-Journal photographer who took time out to help us), the unfailing aid of Foote and Davies, Inc., our printer, and especially the patient cooperation of the students, faculty, and administration.
